

## DUMPSTER ART WRAPS: POST INSTALLATION REPORT

In partnership with CLARA and Republic Services, Midtown Association recently installed vinyl art wraps on two dumpsters located in the CLARA parking lot, which is viewable by nearby residents, in an effort to beautify the area and engage the surrounding community. Local digital artist, Natana Rose, created two unique designs representative of CLARA's tenants, including the Sacramento Ballet, the Brazilian Center and Capital Stage. The designs were installed on December 18, 2020 and also included the logos from CLARA, Republic Services and Midtown Association. The result is a transformative art installation that beautifies the dumpsters, encompasses the artistic diversity of CLARA and helps build a sense of community in Midtown.
