

# 2026 BUSINESS TOOLKIT

## OVERVIEW

In May - October of 2025, Midtown Association's Midtown Second Saturdays attracted **53.3K** visitors to the district to take part in **77** events and attractions, garnering nearly **1.5M** digital impressions and more than **50** unique media stories. We saw art walks highlighting shows at our galleries, live performances, pop-up art markets, a large-scale public art installation through the *Urban Dreams Art Experience*, and so much more.

In 2026, our commitment is to build on the success of 2025's promotions and programming as we continue to bring alive our streets every Second Saturday in the months of May - October to delight Midtown visitors with art, music, food, and entertainment. To do so, we need the heart of Midtown - our local galleries, venues and businesses - to join the Second Saturday movement.
